Kameshwar Narayan Singh Govt. Polytechnic College (KNSGP)

Career Objective

Passionate Computer Science Engineering (CSE) student with strong problem-solving skills and experience in HTML, C++, Python and MySQL. Seeking opportunities to apply my technical expertise in software development and database management, with a keen interest in AI-driven applications.

Education

Diploma in Computer Science Engineering (CSE)
Kameshwar Narayan Singh Govt. Polytechnic College (KNSGP)

Technical Skills

- Programming Languages: C++ , Python

- Database Management: MySQL, DBMS

- Web Development: HTML, CSS

- Operating Systems: Windows, Linux , MACOS

- Other Skills: Data Structures & Algorithms (DSA), Computer Graphics

Projects

Smart Online Exam System (SE) [Ongoing]
Tech Stack: MySQL, AI Proctoring
- Developed a secure online examination system integrating AI-powered and live proctoring.
- Ensures fair and efficient remote testing with real-time monitoring.
- Enhances user experience with a scalable and secure exam platform.

Smart Examination AI
Tech Stack: AI, Python, NLP
- Created an AI-powered exam monitoring system to detect cheating behavior.
- Implemented face recognition and speech detection for security.

Future Goals

- Looking to expand expertise in AI, Cloud Computing, and Full-Stack Development.
- Open to internships, networking, and collaboration opportunities in software development.

"Technology, innovation, and strong communication drive my passion—I'm eager to contribute and grow!"

Achievements & Extracurriculars

- Skilled in storytelling & writing, with experience in technical documentation.
- Athlete in Football & Basketball, and a competitive chess player.
- Active participation in coding competitions and tech events.

Personal Strengths

- Quick Learner & Problem Solver
- Strong Analytical & Communication Skills.
- Passionate about Technology & Innovation
